DISPOSABLE TRAVEL TOILET

With **RESTOP® 1** for liquid waste, you will never be without a restroom again!

- Perfect to take when hiking, fishing, boating, camping or in the car
- Completely spill-proof, leak-proof and odorless
- Environmentally friendly—safe to dispose of in any trash container.
- Sanitary—no chance of smell or disease in public restrooms
- Completely portable—bags are lightweight and small enough to fit in a backpack, purse or glove compartment
- Special contoured top makes it easy to use by men, women and kids

**RESTOP 1 Personal Lavatory Pouches** contain absorbent crystals to instantly turn liquids into an odorless gel. The unique funnel inside the bag and one-way valve prevent accidental spills. The pouch can be turned upside down without leaking! After use, just snap-lock the odor-free, leak-free bag and toss it in any trash container.
