

Restop® Field Lavatory System

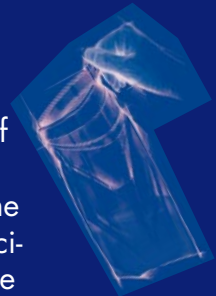

- Sets up in 2 minutes
- Ultra lightweight and compact
- Requires minimum storage space
- Spill-proof, leak-proof and odorless
- Environmentally friendly
- Unlimited shelf life

Restop Privacy Tent pops up quickly and easily and fits into a small carrying bag.

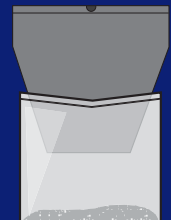

Restop Commode is a sturdy, top-locking base holding a full size folding toilet seat and *Restop 3 Daily Restroom Kits*.

Restop 1 Disposable Urinal Pouches are designed for use by men, women and children and contain our proprietary blend of naturally bioactive polymers and enzymes to instantly turn urine into a deodorized gel. The funnel design and one way valve prevent accidental spills. The pouch can be turned upside down without leaking!

Restop 2 contains everything needed to safely dispose of solid human waste. Our patented "bag in a bag" design and final zipper closure securely contains the waste and the odor, while our special blend of polymers and enzymes instantly begins to break down the waste and turn it into a deodorized gel. Just use *Restop 2* with the Restop Commode or over any receptacle.

Restop 3 Daily Restroom Kit Combo Pack includes two urinal pouches and one disposable bag for solid waste.

Perfect For
Emergency
Preparedness
